## How To Use My Guides In DPS

## Purpose Of This Tutorial

- This tutorial will show you how to create and use your customized Guides in DPS.
- You can create your own customized Guides if you find that the Guides provided with DPS do not cover typical situations you encounter in your practice.

First you must determine the DPS Guide which is closest to what you want for your customized Guide Create a new client and Select Open

Clients Guides My Guides	
Client 1	Estate Planning
Doe, Jane A. lesbian	Estate Planning
Doe, John E.	Estate Planning
Doe, John E. gay	Estate Planning
New Client	

On the Base Document On screen Guides tab Note the exact name of the DPS Guide which is closest to what you want for your customized Guide
